## About our work

**St Peter's Hospice is Bristol's only adult Hospice.** We aim to improve the quality of life for all our patients and provide them with the best possible end of life care.

We provide help and support to terminally ill people and their families in many ways.

### In the community

Through our team of 16 Community Nurse Specialists we provide care across the whole of Bristol in patient's own homes. Each year our nurses provide support to over 1,800 patients.

### Hospice@Home

Our Hospice@Home nurses provide specialist 24 hour care to patients who wish to spend the last week of their life in their own home. We have a team of 18 nurses working across the greater Bristol area providing care and support in those vital last few days.

### Day Hospice

Each week up to 100 patients attend our Day Hospice. Here they can receive pain control advice, attend breathlessness clinics, receive physiotherapy and help from occupational therapists. It's a vital service for patients and also for carers and families as it provides much needed respite care. It offers a warm and friendly environment for patients. A place where patients can meet other patients to talk and where they can access holistic therapies.

### In-Patient Unit

Our In-Patient Unit provides patients with expert medical care by senior specialist doctors where a patient's difficult symptoms can be brought under control. We also have a family room at the Hospice where family members can stay overnight to be close to their loved one.

### Education centre

As well as the work that our nursing team do with patients and families we have a well respected education centre. Our trainers work with those who advise and care for patients away from St Peter's Hospice such as GPs and care home workers.

### Social Work and Chaplaincy

Through our Social Work team and Chaplaincy we work with over 6,000 family members a year providing emotional, spiritual and practical help during a difficult time to families including children.

## Support our vital work

We organise fundraising events throughout the year. You can sign up with your family and friends and help us raise much needed funds. Check out our website for more details of forthcoming events or call the fundraising office on 0117 915 9300.

### A legacy in your Will

Each year around 25p in every pound we spend on care and support for our patients comes from gifts that people have left us in their Will. Please think of us in your Will. For more information contact 0117 915 9300.

For just £1 a week you can buy a lotto number and have the chance to win £1,000. A regular gift like this means a lot to St Peter's Hospice. Check out our website for more details or call 0117 915 9300 and ask to speak to a member of our lotto team.
