

International Clinical Trials Day 20th May 2013

Evening Event: 5-7pm

Lecture Theatre 1, Education and Research Centre,
Upper Maudlin Street, Bristol, BS2 8AE.

5-6pm Refreshments, posters & displays about UH Bristol research, plus general information about clinical trials.

6-7pm Short talks about our research from doctors, nurses, AHPs & young people who have volunteered to take part.

Speakers:

1. Jonathan Benger, Director of the Academic Department of Emergency Care, University of the West of England:

“How to do research in an emergency”

2. Judith Edwards, Research Physiotherapist:

“Preserving muscle mass in patients in the ITU”

3. Phoebe Mouldsdales & Michelle Ross, Research Nurses, Members of the MCRN Young Person’s Advisory Group:

“Why young people take part in research”

Clinical trials help us to find out which treatments and medicines work best.
