

PAEDIATRIC AUDIOLOGY FOR A BETTER QUALITY OF LIFE

PICTURES, COLOURS & GLITTER FOR CHILDREN'S EARMOULDS

Universal dB
CUSTOM HEARING PRODUCTS

www.universaldb.co.uk

A KNOWLEDGEABLE AND EXPERIENCED PAEDIATRIC TEAM

Welcome to the latest edition of our Paediatric Audiology Brochure. I hope you will find it useful and a helpful reference booklet. You will see that there are now even more pictures and novelty options to choose from including new ranges from the Moshi Monsters, Mike the Knight, Rainbow Magic and Swizzles "Love Hearts". Of course old favourites such as Bob the Builder and Thomas the Tank Engine are still here but with a fresh range of pictures to choose from.

Universal dB has almost 50 years of experience as a major supplier of custom earmoulds to NHS departments and private customers. We know what it takes to provide a first class paediatric service. Our dedicated paediatric team ensure that customers receive the best service in terms of quality and turnaround times as well as possibly the largest selection of picture inserts, colours and glitters available for children to choose from.

More than 20 years ago, Universal dB adapted a technique commonly used in orthodontic dentistry to enable picture inserts to be placed into earmoulds. Since that time many thousands of children have benefited from this service and proudly enjoy wearing their hearing aid. We are grateful to all the companies who have kindly given their support by allowing us to use their logos and images in earmoulds.

Universal dB offer the largest selection of Non Allergic Materials, together with Anti Bacterial Coatings and free "Material Patch Test" samples. We always go the extra mile to ensure all your patient's requirements are looked after.

The images and colours in this brochure are intended only as a guide and are by no means our complete range. Please contact us if there is something you would like but is not shown in the brochure.

Contact us anytime, we would love to hear from you.
