We've been making a lot of changes to expand and improve our city centre hospitals. As a result, we have updated the signs in the Bristol Royal Infirmary (BRI), Bristol Heart Institute (BHI), Bristol Haematology and Oncology Centre (BHOC) and Bristol Eye Hospital (BEH).

These hospitals have been divided into zones, with each zone given a letter. Each department and ward within the zone has been given a number.

To find your way to where you need to go, first find the zone and then follow the numbers to the right floor level and location.

Our signs look like this:
