

DO YOU WANT FREE DENTAL TREATMENT?

If you do not have a dentist but require routine dental treatment (fillings, oral hygiene advice, scale and polish, crowns, bridges or dentures), you may be suitable for treatment by our student dentists, therapists or hygienists under the supervision of trained clinicians.

This FREE OF CHARGE service operates most days of the week (except Wednesdays). You will need to commit to lengthy appointments of up to three hours between 10am-1pm and 2pm-5pm. You may need to be available to attend appointments on several days of the week.

- The needs of our students change constantly so you will only be accepted if your dental needs suit the needs of the student teaching programme at the time.
- A brief dental examination will need to take place to assess your suitability and there is no guarantee that you will be accepted.

If you would like to apply, please download a self-referral form from:

<http://www.uhbristol.nhs.uk/patients-and-visitors/your-hospitals/university-of-bristol-dental-hospital/> or pick up a form from the Bristol Dental Hospital main reception.

Completed forms should be handed to reception or posted to:
