

**I AM  
RESEARCH**

Be part of the solution

## International Clinical Trials Day 2017 Events Programme

UHBristol are celebrating International Clinical Trials Day, with a week of research unit led events taking place all over the Trust.

Monday 15<sup>th</sup> – Fri 19<sup>th</sup> May

Come and find out how Research helps to improve patient care.

## Tuesday 16<sup>th</sup> May

### Women's & Children's

- **Reproductive Health Research presentations**
- **Showcasing research:** the Parrot study, Vaccination in pregnancy, IMOX study, the Prism study and Gynaecology/Oncology Research.
- **Where:** Meeting room, Level C, St Michael's Hospital
- **Time:** 9.30am – 12pm
- Open to: all Trust staff (drop in encouraged)

## Wednesday 17<sup>th</sup> May

### Paediatric Cardiac Research Team

- **Display stand**
- Showcasing the unit's work in **engaging with patients and the public** (PPI - patient and public involvement), and celebrating having their first **student placement**, with examples of learning and experience in the team so far.
- **Where:** Paediatric outpatients

### Medical Research and Surgical Research teams

- **Pop-in session with the Medical and Surgical Research Teams**
- Posters and information about their research
- Cake sale
- **Where:** MSRU, Zone B, 501, BRI
- **Time:** 9am – 11am

## Thursday 18<sup>th</sup> May

### Women's & Children's

- **Children's Research event**
- **Presentations from research active staff** about their studies – topics: Osteogenesis Imperfecta, Paediatric oncology, Role of the specialist neuromuscular physiotherapist, Neuropsychology, Improving outcomes for children and young people with cystic fibrosis.
- **Where:** Lecture Theatre 1, Education Centre, Upper Maudlin Street
- **Time:** 2.15 – 4.30pm
- Open to: all Trust staff (drop in encouraged)

## Bristol Eye Hospital

- **Research display and opportunity to try on some glasses**
- Try on a pair of glasses to **see the effects of different types of eye disease**.
- See **information about past studies** that have had an **impact on patient care**, as well as current studies underway at the Bristol Eye Hospital.
- **Where:** Bristol Eye Hospital
- **Time:** 9am – 12pm

## Friday 19<sup>th</sup> May

### Women's & Children's

- **Interactive display for children**
- explaining **why we take blood tests in research**, demonstrating **how it is taken** and showing **how we spin blood**
- **Where:** Outpatients waiting area, level 3, Children's Hospital
- **Time:** 9am – 4pm

### BHOC research

- Poster presentation display of the **trials run at BHOC** and the **impact these have had on patient care**.
- Take part in an **example of a randomised trial – taste some biscuits and answer a short questionnaire**.
- **Cake sale** (with donations going to Above & Beyond)
- **Where:** BHOC foyer
- **Time:** 12 – 2pm

### Cardiology Research

- **Exercise bike smoothie maker, blood pressure checks and display**
- Come along to have your **blood pressure taken** and to have a go at **making a smoothie whilst peddling on an exercise bike!** Take a look at the **research happening in cardiology**.
- **Where:** BHI atrium
- **Time:** all day

### Cardiac Surgery Research

- **3D hearts display;** Vote for your favourite **Patient Information Sheet** format; **PPI recruitment** posters and leaflets; **Recruiting healthy volunteers** for the **Arcadia Study;** **Cortisol study** poster, and **VEST study** product and poster.
- **Where:** BHI atrium

# Friday 19<sup>th</sup> May continued

## Research & Innovation

- **Display of events taking place around the trust for ICT Day.**
- **Bake sale on Friday 19<sup>th</sup> May** (proceeds going to Above & Beyond)
- **Where:** BRI Welcome Centre (opposite A&B office)
- **Time:** 9.30am – 3.30pm

## Find out more, get involved

We have a number of studies open at our hospitals, and with more research starting every month.

There are many different ways in which you can be involved, whether you want to help shape research or take part in it.

Join a study

Join Dementia Research

Shape a research project

Suggest a research topic

Review a research application

Join an advisory panel

Become a Patient Research Ambassador

UK Clinical Trials Gateway

- Ask any member of your clinical team about our research and how you can make a difference.
- Search the 'UK Clinical Trials Gateway' [www.ukctg.nihr.ac.uk](http://www.ukctg.nihr.ac.uk)
- Visit the National Institute for Health Research website for more information [www.nihr.ac.uk](http://www.nihr.ac.uk)
