Dear [REDACTED]

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

- 2. Please provide the total number of STD tests that came back positive in children under 16 over the last five years – and again, please break down by year, age, - as well as the type of STDs that were diagnosed.**
- 3. If this has not been made clear in the above response – what is the specific age of the youngest child to be diagnosed with an STD over the last five years – and what was the STD?**
- 4. Within these figures, please also include the numbers of children who were found to have an STD when using hospital services for other services.**
- 5. Please separately provide the total number of children under 16 who were a) tested b) diagnosed with HIV over the last five years – with a breakdown of people and ages for each year. This includes children who were found to have HIV when attending hospital for another matter.**
