**Subject:** Message to all staff: Stay vigilant against threat of cyber attack  
**Importance:** High

Dear Colleagues

**Please remain vigilant against the threat of cyber attack**

There is currently a nationwide ransomware outbreak affecting the NHS. This Trust has not been affected but it is important that we all remain vigilant. Staff are reminded to exercise caution particularly when dealing with emails.

- Do NOT open **any** unsolicited emails
- Do NOT click **any** links in **any** emails

Regards
