Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

Could you please let me know the locum spend in the Cardiology department in each hospital from January 2016 to May 2017 or your most recent records. If possible could you please also let me know the spend of each individual locum that the department has in each individual hospital by job title and band of locum.

From January 2016 to March 2017, the Trust spent £127,000 on Cardiology locum doctors in the Bristol Heart Institute.

Please note there is a negative value against one of the SpR locums due to an accounting adjustment rather than a refund.
