

Freedom of Information Request**Ref: UHB 17-447**

Date 1 August 2017

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

- 1. How much is the laboratory/hospital reimbursed for performing:**
 - a. Immunohistochemistry performed on fixed tissues with 3-5 antibodies (e.g. ER, PR receptors, Ki67 and HER-2)**
 - b. Histopathology examination by in situ hybridization (FISH, CICH or SISH reflex test)**
 - c. Molecular diagnostic (for breast cancer - if used)**

- 2. If no molecular diagnostic is currently used, and you chose to introduce a PCR-based molecular diagnostic, would you be reimbursed for this?**

We do not hold this information as the Trust does not provide these services, all of our histopathology work is undertaken by North Bristol Trust.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary
University Hospitals Bristol NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be
