Date 1 August 2017

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

**Freedom of Information request - Active surveillance for prostate cancer**

In order for you to see all the questions in the request on one page, please find them here: <https://docs.google.com/document/d/1IHjY>. If the answers could still be provided online via the survey link here [https://www.surveymonkey.co.uk/r/AS\\_pros](https://www.surveymonkey.co.uk/r/AS_pros) that would be very much appreciated.

We do not hold this information as it appears your request is specific to prostate cancer. The Trust does not provide prostate cancer services, other than oncology treatments; therefore we are unable to answer at this time.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary  
University Hospitals Bristol NHS Foundation Trust  
Trust Headquarters  
Marlborough Street  
Bristol  
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
