**Under the Freedom of Information Act could you please provide answers, where possible, to the following:**

- 1) In February 2016, the Lord Carter of Coles review “Operational productivity and performance in English NHS acute hospitals: Unwarranted variations” was published. A key requirement of Lord Carter’s report was that all Trusts are required to submit a board approved hospital pharmacy transformation programme (HPTP) plan to NHS Improvement by April 2017. Could you please provide a copy of the Trust's hospital pharmacy transformation programme (HPTP) plan. If this is not available, please provide a date when it will be published?**

If applicable, could you please provide your Trusts Implementation Plan related to these drugs? If the plan is not produced yet, please provide a date when it is expected?**

Please see attachment 2
