Dear Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

- 1. The number of sexual assaults reported to you, which have taken place on premises owned by the following Universities in 2015, 2016 and 2017.**
 - i. Bath University (including halls)**
 - ii. Bath Spa University (including halls)**
 - iii. Bristol University (including halls)**
 - iv. University of the West of England (including halls)**

We are unable to provide the requested information as the database systems at The Bridge do not include 'university premises' as a category in their assault location recording system; therefore we do not hold this information.

- 2. For each year and university, please specify if the victim of the alleged assault was (a) male; (b) female; or (c) other gender identity.**

We do not hold this information. Please see response to question one.

- 3. For each year and university, please also indicate if the alleged victim was either a student or a university employee.**

We do not hold this information. Please see response to question one.

- 4. For each year and university, please also let us know the number of sexual assaults reported to the police.**

We do not hold this information. Please see response to question one.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
