### Notes

1. Date of ballot = closing date of election.
2. Total eligible voters = Number of ballot papers issued in all cases.
3. Remaining 3 cost charges (ballot company admin; scrutineering including staff and other services) we believe are commercially sensitive and most Foundation Trust are applying an exemption based on FOI “Section 43(2) – Prejudice to commercial interests” and are not providing this information.
4. The events question from the ERS perspective is nil.
