Dear Sir/Madam,

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

Where numbers are low we have considered that there is the potential for the individuals to be identified from the information provided, when considered with other information that may also be in the public domain. Therefore under Section 40(2) of the Freedom of Information Act 2000, we will not be disclosing this information at this time. Section 40 is the exemption for personal information
