Thank you for your request for information under the Freedom of Information Act 2000. The Trust responded on 31 July 2018 to confirm that its audited accounts for 2017-18 are available as part of the 2017-18 Annual Report, available on the Trust's website.

In your further letter of 6 August 2018 you advised us that you were unable to access internet services and requested a hard copy of the Trust's audited accounts. Please therefore see a hard copy of the Trust's Annual Report, including its audited annual accounts, for 2017-18 attached to this letter.

The Trust is providing this printed copy for free as a gesture of goodwill. Please note that the Trust reserves the right to request reasonable payment for the printing and postage of information requested under the Act in future, including where information is publicly available already (e.g. via the internet), as is permissible under the Freedom of Information Act 2000.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary
University Hospitals Bristol NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.

Yours sincerely

FOI Team
UH Bristol NHS Foundation Trust
