**Ref: UHB 19-764**

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

1. How much is spent per year on the following:
  - Disposable paper towels for washrooms - Hand towels total spend, approximately £200k.
  - Non-recyclable waste collection - The Trust does not weigh or know of the volume of general waste coming out of our washrooms as all general waste from an area is removed at the same time. Therefore the Trust cannot provide you with costs associated with general waste from washrooms.
  - Washroom repairs - The Trust does not hold this information.
  - Unblocking of drains and water pipes - The year spend for reactive work alone from July 2018 - July 2019 was £137,359.94.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
