

Freedom of Information Request

Ref: UHB 20-047

22 January 2020

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

1. I have reviewed the data that your Trust submitted on the number of Type 2 attendances (Type 2 A&E department = A consultant led single specialty accident and emergency service (e.g. ophthalmology, dental) with designated accommodation for the reception of patients) that you had in December 2019 via the below website:

<https://www.england.nhs.uk/statistics/statistical-work-areas/ae-waiting-times-and-activity/ae-attendances-and-emergency-admissions-2019-20/>

Of the 1935 type 2 patients seen in December 2019 please can you advise of the numerical split across each specialty (Ophthalmology, Gynaecology) etc?

There is only one Type 2 Emergency Department in the Trust.

This is the Bristol Eye Hospital. All of the Type 2 attendances seen in December 2019 are in Ophthalmology.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
