By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

Request:

1. Please can you tell me how many deaths have been reviewed by the trust or reported to a coroner in the past 10 calendar years where the hospital used a Haemonetics plasma device (any model number) on the patient before they died.
2. Where the death was investigated please can you send me the report (redacted to remove personal details if necessary) and include the age, gender and diagnosis of the patient. If the death was reported to the coroner please include a copy of their report.

Response:

University Hospitals Bristol NHS Foundation Trust does not have a plasma collection service and therefore this request is not applicable to UHBristol.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol NHS Foundation Trust
Trust Headquarters
Marlborough Street

BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
