**Ref: UHB 19-631**

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

1. How many vending machines have there been across your trusts' grounds, in each of the past five years.

There have been 19 vending machines throughout the trust.

2. Can you break down the above question into how many of these are with snacks containing less than 150 calories and how many included traditional confectionery, chocolate bars and fizzy drinks.

Since April 2017 the trust has been compliant with CQUIN 1B which means all of our snacks are below 250 Kcals and 80% of our drinks are sugar free. They can include any snack or confectionary that fall under these guidelines.

3. How much profit did the trust earn from these machines in each of the past five years? If possible, could you separate that figure for the separate types of vending machines please.

The profit made was £66529.20. The Trust unfortunately is not able to separate this figure.

4. Which company is contracted to provide the machines?

Our current vending contract is with JW Vending LTD.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
