

Freedom of Information Request

Ref: UHB 19-545

27 September 2019

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

1a - How many melanoma patients undergoing treatment are BRAF+ ?

The Trust is unable to identify which patients are BRAF+ve from the electronic systems used within the Bristol Haematology and Oncology Centre. To identify those patients the Trust will need to go through manually the notes of each patient. This would take the Trust more than 18 hours to complete and is therefore exempt from disclosure under Section 12 of the Freedom of Information Act.
