

Freedom of Information Request

Ref: UHB 19-599

11 October 2019

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

1. How many medical beds are there at Bristol Eye Hospital and Bristol Royal Infirmary?

The Bristol Royal Infirmary has 250 medical inpatient beds with an additional 16 medical day case beds.

The Bristol Eye Hospital has 11 inpatient beds (used for Ophthalmology) and 17 day case beds but please note: Due to the way the Trust classifies our beds into divisions, all beds within the Eye Hospital fall within the division of Surgery, so as a result we technically do not have any Medical beds within the Eye Hospital.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be

contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
