

**Freedom of Information Request**

**Ref: UHB 19-439**

6 August 2019

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

**Request:**

The total number of operations cancelled for non-clinical reasons, broken down by the cause of the cancellation, for example due to lack of beds, operating theatre capacity, staffing issues, and equipment failures. Please provide this information for each of the past three financial years (2016/17, 2017/18, 2018/19). In the total number of operations, broken down by cancellation reason, please include:

- Elective operations cancelled at the last minute. For the purposes of this request, last minute means on the day the patient was due to arrive, after the patient has arrived in hospital or on the day of the operation or surgery.
- Cancelled urgent operations.

**Response:**

Please see below the “national Last Minute Cancelled Operations data for UHBristol”

<b>Reason for Cancellation</b>	<b>2016/2017</b>	<b>2017/2018</b>	<b>2018/2019</b>
Booking / admin error	21	27	75
Case note unavailable	1	1	1
Emergency case took priority	197	205	271
Equipment failures	24	47	27
Lack of beds	283	374	265
Operating theatre capacity / list over-ran	51	107	108
Other reasons	30	49	104
Staffing issues	152	158	243
<b>Grand total</b>	<b>759</b>	<b>968</b>	<b>1094</b>

It is important to note that year on year the percentage of last minute cancellations in relation to scheduled elective operations is consistently around 1.3%.

It is also important to note that cancellations can only be recorded under one reason which in many cases does not illustrate the complexity of the situation. For example, a cancellation may be recorded as 'staffing issues' or 'lack of beds' but the reason for this may be due to beds or staff being required for an urgent/emergency case which are unforeseeable and cannot be planned for.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
